### Notes:

Please pay attention that rows in table for stage 1 is not the same as for the stages 2,3,4 and 5.

Sprint stage 1 course lengths are measured straight line, not along the best possible route choices. Climbing for all classes from 10 to 25 meters maximum at the sprint stage.

Refreshment during the race will be provided by organizers on stage 3 and 4. Refreshment will be allocated along the logical route choices, not at the control points, and will be marked at the map with a proper symbol.

Additional control descriptions will be available at the start.

Every day, distances from finish to start are 200-500 meters maximum.

For stage 1 (sprint) quarantine will be organized in a finish, and latest time to be there is 10,00h.

### MAP SCALES:

Sprint stage 1 all maps 1:4000, e-2,5m. (old ISSOM standard, not the newest one)

For the stages 2-5, maps scales are:

1:10000, e-5m for the next classes: M21E, M35, DIRECT, W21, W35.

1:7500, e-5m for all other classes

Maps are printed at material which should give protection caused by rain.

### **TRANSFERS TO THE STAGES 2-5:**

For the sprint distance race, if you are accommodated in Zabljak, it will be walking distance (see map).

For stages 2-5, there will be distances 2 to 4km from event center. No enough persons registered for shuttle bus transfers. We can help you in event center upon registration about transports to stages, if you gone a need it.

Overview map for all stages you will get upon registration in Event Center.
